Establishing Business in Northern Ireland

a) Setting up a company in Northern Ireland/UK

- All UK companies, including those based in Northern Ireland, are registered with **Companies House** (www.gov.uk/set-up-business).
- **Invest NI** provides tailored guidance, soft-landing support, and, where eligible, financial assistance for overseas companies (including Indian companies) setting up operations in Northern Ireland: www.investni.com/invest-in-northern-ireland
- Northern Ireland's distinguishing advantage for new entrants is **dual market access,** the ability to trade goods tariff-free with both Great Britain and the EU single market under the Windsor Framework.

b) Export/Import guide

- **HMRC / Department for Business and Trade** guidance on importing and exporting: www.gov.uk/topic/business-enterprise/importing-exporting
- **UK-India CETA** implementation guidance for exporters: www.business.gov.uk – UK-India trade deal
- **NISRA Trade Statistics** for Northern Ireland-specific trade data: www.nisra.gov.uk/statistics/trade
